ACKNOWLEDGEMENT

I understand that separate electrical and plumbing permits are required. I understand that a worksheet showing the details of the work to be completed must accompany this building permit application. I understand that all construction must follow the most recent editions of the International Building Code, International Residential Code, International Fire Code, International Mechanical Code, National Electric Code, and State Plumbing Code. I understand that this permit will be valid for six (6) months from the issue date. If, at the end of the initial six (6) month period, the work has commenced but has not been completed, upon request the permit shall be re-issued one (1) time for an additional six (6) month period, without charge. I understand that a survey of the property lines, at the property owner cost, may be required for the permit to be issued. I understand that I am required to request the required inspections and any work completed without the required inspection shall be noted in a permanent record of the property. **I understand that the City of Winner is on highly expansive soils and that the City of Winner recommends soils testing for new structures.**
